

Feelin' Myself f. Miley Cyrus, French Montana & Wiz Khalifa by Will.i.am

I be everywhere, everybody know me			
Super, super fresh, what a dope styling			
Hunny on my wrist, couple karats on my neck			
Givenchy, keep the chickens in check			
All these car keys drive them chickens to my crib			
Jewel heel, got somebody slipping in my bed			
She give me IQ, (1) mean she get a head			
I just give the beats, I don't give a bread			
'Cause we be in the club			
Bottles on deck
