

Come and conquer and drop your bombs

## Fill in the gaps

## You're The Storm (Live) by The Cardigans

(Oh) It's (1) (2) (3)	Cross my borders and (17) the calm
pang	Bear your fangs and burn my wings
can hear your canons call	I hear bullets singing
You've (4) aiming at my land	And if you want me, I'm your country
Your (5) hammer's falling	If you win me I'm forever
And if you (6) me, I'm (7) country	(Oh yeah)
'm an (8) bored like hell	'Cause you're the storm that I've been needing
And you're a (9) (10) well	And all this (18) has been deceiving
You steal my lines and you strike me down	I need some (19) to get me sailing
Come raise your flag (11) me	So it's the (20) that I believe in
And if you want me, I'm (12) country	
f you win me I'm forever	You fill my heart you keep me breathing
(Oh yeah)	'Cause you're the (21) that
Cause you're the storm (13) I've been needing	(22) in
And all this peace has (14) deceiving	And if you want me
like the (15) (16) and the silence	I'm (23) country
But it's the storm that I believe in
