Let our lovers play the fool

Fill in the gaps

Hold On To The Nights by Richard Marx

Just when I believed	I don't know how
I couldn't ever want for more	To stop feeling this way
This ever changing world	Hold on to the nights
Pushes me (1) another door	Hold on to the memories
I saw you smile	If (4) I could (5) you more
And my mind could not erase	Well, I think I've been true
The beauty of (2) face	To (6) else but me
Just for a while	And the way I feel (7) you
Won't you let me shelter you (ooh)	Makes my heart long to be free
Hold on to the nights	Every time I (8) into your eyes
Hold on to the memories	I'm helplessly aware
I wish that I could give you something more	That the someone I've been searching
That I could be yours	For is right there
How do we explain	Hold on to the nights
Something that took us by surprise?	Hold on to the memories
Promises in vain	I'm (9) I could give you more
Love that is real, but in disguise	(Ooh)
What happens now?	Hold on to the nights
Do we break (3) rule?	

- 1. through
- 2. your
- 3. another
- 4. only
- 5. give
- 6. everybody
- 7. about
- 8. look
- 9. wishing
