

Hold fast and we will

Fill in the gaps

(Oh) Misty eye of the (1)	below	Watch the flames (11) auburn on	
Keep (2)	_ watch of my brothers' souls	The mountain side	
And should the sky be filled with		Desolation comes upon the sky	
Fire and smoke		Now I see fire	
Keep watching over Durin's sons		Inside the mountain	
If this is to end in fire		I see fire	
Then we should all burn together		Burning the trees	
Watch the (3)	climb high	And I see fire	
Into the night		Hollowing souls	
Calling out father (oh)		I see fire	
Stand by and we will		Blood in the breeze	
Watch the flames (4)	auburn on	And I hope (12) you remember me	
The (5)	side	And if the (13) is burning	
High		I will cover my eyes	
And if we should die tonig	pht	For if the dark (14) then my	
We (6) al	l die together	Brothers will die	
Raise a glass of wine		And as the sky is falling down it	
For the (7) tim	е	Crashed into this (15) town and	
Calling out father (oh)		With that shadow (16) the ground I	
Prepare as we will		Hear my (17) screaming out	
Watch the (8)	burn auburn on	Now I see fire	
The mountain side		Inside the mountains	
Desolation comes upon the sky		I see fire	
Now I see fire		Burning the trees	
Inside the mountain		I see fire	
I see fire		Hollowing souls	
Burning the trees		I see fire	
And I see fire		Blood in the breeze	
Hollowing soul		I see fire	
I see fire		(Oh) You (18) I saw a city burning out (fire))
Blood in the breeze		And I see fire	
And I hope (9)	you remember me	Feel the heat upon my skin (fire)	
(Oh) (10)	my people fall in	And I see fire	
Surely I'll do the same		(Uh-uuh-uh-uuh) (Fire)	
Confined in mountain halls we		And I see fire burn auburn on the (19)	
Got too close to the flame		side	
Calling out father (oh)
