

Fill in the gaps

The snow glows (1) on the	And break through
(2) tonight	No right, no wrong
Not a footprint to be seen	No rules for me
A kingdom of isolation	I'm free
And it looks (3) I'm the queen	Let it go
The wind is howling like (4) swirling	Let it go
(5) inside	I am one (14) the wind and sky
Couldn't keep it in, heaven (6) I've tried	Let it go
Don't let (7) in	Let it go
Don't let them see	You'll (15) see me cry
Be the good girl you always have to be	Here I stand
Conceal, don't feel	And (16) I'll stay
Don't let them know	Let the storm rage on
Well, now they know	My power flurries (17) the air into the
Let it go	ground
Let it go	My soul is spiraling in frozen (18) all
Can't hold it back anymore	around
Let it go	And one thought crystallizes like an icy blast
Let it go	l'm (19) back
Turn away and (8) the door	The past is in the past
I don't care	Let it go
What they're (9) to say	Let it go
Let the storm rage on	When I (21) like the break of dawn
The cold never bothered me anyway	Let it go
It's (10) how some distance	Let it go
Makes everything seems small	That perfect girl is gone
And the (11) (12) once controlled me	Here I stand in the (22) of day
Can't get to me at all	Let the (23) rage on
It's time to see	The cold never (24) me anyway
What I can do	
To (13) the limits
