

## Let It Go by Idina Menzel

The snow glows white on the (1)_____ tonight	And break through
Not a footprint to be seen	No right, no wrong
A (2)_____ of isolation	No rules for me
And it looks like I'm the queen	I'm free
The (3)_____ is howling like this swirling storm inside	Let it go
Couldn't keep it in, heaven knows I've tried	Let it go
Don't let them in	I am one with the wind and sky
Don't let them see	Let it go
Be the (4)_____ girl you always have to be	Let it go
Conceal, don't feel	You'll never see me cry
Don't let them know	Here I stand
Well, now they know	And here I'll stay
Let it go	Let the (7)_____ rage on
Let it go	My power flurries through the air into the ground
Can't hold it back anymore	My soul is spiraling in frozen fractals all around
Let it go	And one thought (8)_____ like an icy
Let it go	blast
Turn away and slam the door	I'm never going back
I don't care	The (9)_____ is in the past
What they're going to say	Let it go
Let the storm rage on	Let it go
The cold (5)_____ bothered me anyway	When I rise like the break of dawn
It's (6)_____ how some distance	Let it go
Makes everything seems small	Let it go
And the fears that once controlled me	That perfect girl is gone
Can't get to me at all	Here I stand in the light of day
It's time to see	Let the storm rage on
What I can do	The cold never bothered me anyway
To test the limits
