

To test the limits

Fill in the gaps

The snow glows white on the mountain tonight		And break through	
Not a footprint to be seen		No right, no wrong	
A kingdom of isolation And it looks like I'm the queen		No rules for me	
		I'm free	
The wind is howling like (1)	swirling storm inside	Let it go	
Couldn't keep it in, (2)	knows I've tried	Let it go	
Don't let them in		I am one with the wind and sky	
Don't let them see		Let it go	
Be the good girl you always have to be		Let it go	
Conceal, don't feel		You'll never see me cry	
Don't let them know		Here I stand	
Well, now they know		And (6) I'll stay	
Let it go		Let the (7) rage on	
Let it go		My power flurries through the air into the ground	
Can't hold it back anymore Let it go		My (8) is spiraling in (9)	fractals all
		around	
Let it go		And one thought crystallizes like an icy blast	
Turn away and (3) the door		I'm never going back	
I don't care		The past is in the past	
What they're (4) to say		Let it go	
Let the storm rage on		Let it go	
The cold never bothered me anyway		When I rise like the break of dawn	
It's funny how some distance		Let it go	
Makes everything seems small		Let it go	
And the fears that once controlled me		That perfect girl is gone	
Can't get to me at all		Here I stand in the light of day	
It's (5) to see		Let the storm rage on	
What I can do		The cold never (10) me any	way

- 1. this
- 2. heaven
