

## Fill in the gaps

The snow glows white on the mountain tonight	And break through
Not a footprint to be seen	No right, no wrong
A kingdom of isolation	No rules for me
And it looks like I'm the queen	I'm free
The wind is howling like this swirling storm inside	Let it go
Couldn't keep it in, heaven knows I've tried	Let it go
Don't let them in	I am one with the (5) and sky
Don't let them see	Let it go
Be the good (1) you always (2) to be	Let it go
Conceal, don't feel	You'll never see me cry
Don't let (3) know	Here I stand
Well, now they know	And here I'll stay
Let it go	Let the storm rage on
Let it go	My (6) flurries through the air (7) the
Can't hold it back anymore	ground
Let it go	My soul is spiraling in frozen fractals all around
Let it go	And one thought (8) like an icy
Turn away and slam the door	blast
I don't care	I'm never going back
What they're going to say	The past is in the past
Let the storm rage on	Let it go
The cold never bothered me anyway	Let it go
It's funny how some distance	When I rise like the break of dawn
Makes everything seems small	Let it go
And the fears that once controlled me	Let it go
Can't get to me at all	That (9) girl is gone
It's time to see	Here I stand in the light of day
What I can do	Let the storm rage on
To (4) the limits	The cold never (10) me anyway
