

I did, I've done, everything that I wanted

## Fill in the gaps

I wanna leave my footprints on the (1) of time	And it was more (7) I thought it would be
Know there was (2) that	I (8) leave my mark so everyone will know
And something that I left behind	I was here
When I leave this world	I just want them to know
I'll leave no regrets	That I gave my all, did my best
Leave something to remember	Brought someone to hapiness
So they won't forget	Left this world a little better just because
I was here	I was here
I lived, I loved	I was here
I was here	I lived, I loved
I did, I've done	I was here
Everything that I wanted	I did, I've done, (9) that I wanted
And it was more than I thought it would be	And it was more than I thought it would be
I will leave my mark	I will (10) my mark so everyone will know
So everyone (3) know	I was here
I was here	(I lived)
I want to say I (4) each day, until I die	I lived
And know that I meant something in	(I loved)
Somebody's life	I was here
The (5) I have touched	(I did)
Will be the (6) that I lived	I did
That I made a difference	(I've done)
And this world will see	I was here
I was here	(I lived)
I lived, I loved	I lived
I was here	(I loved)
I did, I've done, everything that I wanted	I was here
And it was more than I thought it would be	(I did)
I will leave my mark so everyone will know	I did
I was here	(I've done)
I lived, I loved	I was here
I was here
