

Fill in the gaps

Anyone who ever held you	Straight (15) (16) arms
Would tell you the way I'm feeling	I, I feel you
Anyone who (1) you	I hope you comprehend
Would try to (3) you what I feel inside	Too many hearts are broken
The (4) thing I (5) wanted	A lover's (17) never came with a maybe
Was the (6) that you ain't faking	So many words are (18) unspoken
The only one you ever (7) about	The silent voices are driving me crazy
Wait a minute, can't you see	After all the pain you caused me
That I	Making up could never be (19) intention
Wanna fall from the stars	You'll never (20) how much you (21)
Straight (8) (9) arms	me
I, I (10) you	Stay can't you see
I hope you comprehend	That I
For the man who tried to hurt you	Wanna (22) from the stars
He's explaining the way I'm feeling	Straight (23) your arms
For all the jealousy I caused you	I, I feel you
States the reason why I'm trying to hide	I hope you comprehend
As for all the things you taught me	That I
It sends my (11) into clearer dimensions	Wanna fall (24) the stars
You'll never (12) how (13) you hurt me	Straight into your arms
Stay a minute can't you see	I, I (25) you
That I	I hope you comprehend
Wanna (14) from the stars
