## Air Balloon by Lily Allen

## Fill in the gaps

Somebody remind me where I am	And we can't hear what they say
Miami or Timbuktu?	Up in my air balloon, air balloon, air balloon
Did I (1) tell you my uncle's monkey ran away from	Sing, sing along, along any (7) you want to
the zoo?	Now we're so high, it can't rain
Would you tell me what this all means?	Up in my air balloon, air balloon, air balloon (ha)
What happens if I go through that door?	Na na na na na nammmm
Cause I'm (2) up at the ceiling, but it's	Na na na na na nammmm
turning into the floor	Na na na na na nammmm
When I'm bored, I, kinda drift away,	Na na na na na nammmm
I'm not sure, quite, why we work all day	Shake it, sh- shake it now
I've been thinking, and I've got this plan	Gimme, gimme some
Let's go, right now	Sailing sa-sailing through the clouds
Come meet me in the sky I'll be waiting for you	Trippin' trip trip it now
And we can't hear what they say	Shake it, sh- shake it now
Up in my air balloon, air balloon	Gimme, (8) some
Sing, sing along, along any song you want to	Sailing sa-sailing through the clouds
Now we're so high, it can't rain	Trippin' trip trip it now
Up in my air balloon, air balloon, air balloon (ha)	Come meet me in the sky I'll be waiting for you
Na na na na na nammmm	And we can't hear what they say
Na na na na na nammmm	Up in my air balloon, air balloon, air balloon
I don't like dropping names but Kurt Cobain is all in my face	Sing, sing along (9) any song you want to
How the hell am I gonna tell him Elvis already took first base?	Now we're so high it can't rain
In and out of the blue this (3) is losing altitude,	Up in my air balloon, air balloon, air balloon
all we need	Come meet me in thisNa na na na na na
Is a little more elevation, take me (4) to	
(5) I can breathe.	
When I'm bored, I, kinda drift away	
I'm not sure, quite, why we work all day	
I've been thinking, and I've got this plan	
Let's go, right now	
Come meet me in the sky I'll be (6) for you
