I Love My Computer by Bad Religion

I love my computer

You make me (1)_____ alright

Every (2)_____ hour

And every (3)_____ night

I love my computer

For all you give to me:

Predictable errors and no identity

And it's never been quite so easy

I've never been quite so happy

All I need to do is click on you

And we'll be joined

In the most soul-less way

And we'll (4)_____ (5)_____ each other's day

'cuz when I'm through I just click

And you just go away

I love my computer

You're always in the mood

I get so turned on

When I turn on you

I love my computer

You never ask for more

You can be a princess

Or you can be my whore

And it's (6)_____ been quite so easy

I've never been (7)_____ so happy

The world outside is so big

But it's safe in my domain

Because to you

I'm (8)_____ a number

And a clever screen name

All I need to do is click on you

And we'll be together for eternity

And no one is (9)_____ gonna take my love

From me because I've got security

Her (10)_____ and a key
