

## Fill in the gaps

Time	I know you feel the same as inside
is the reason why we fight to stay alive	It feels like in a dream where we can fly
until the morning comes	Like a sing
It's a strife	Like a (7)
but the shimmer in your eyes (1) makes me	You're my Amaranthine
(2)	You are all needed, believe me
that You and I belong	like we drift in a stream
And you can light the dark all by (3) own	Your beauty serene
So let us show the world our love is strong	There's nothing else in life i ever need
Like a sing	My dream, Amaranthine
Like a dream	It's a strife
You're my Amaranthine	but the shimmer in your eyes
You are all needed, believe me	just (8) me know
like we drift in a stream	You're my Amaranthine
Your beauty serene	Like a sing
There's nothing else in life i (4) need	Like a dream
My dream, Amaranthine	You're my Amaranthine
Time	You are all needed, believe me
Goes by as day and nights	like we drift in a stream
are turning into years	Your beauty serene
But I'm lying in (5) arms	There's nothing else in life I (9) need
It's the place	My dream, Amaranthine
Where I know that I am closest to your heart	
Where the (6) is torn apart
