Don't let anybody tell you what to be	Everybody
Turn the music up and just (1) it	Everybody listen to the words I say
Sha la la la la	I don't care what everybody say about me

Dynamite all over my body	Sha la la la la
Live fast life's so extraordinary	Sha la la la la
If you feel that state of mind	Don't let anybody (7) you what to be
Everything's gonna be fine	Turn the music up and just sing it

You've got the strings and that fire too	Sha la la la la
Sing, Sha la la la la	But nothing's the same
Sha la la la la	Since you're gone
I only believe in my philosophy	I try so hard to forget your loving
Don't love the world if you don't love yourself	I remember your name when it's cold
Everybody	I remember that, we all need someone
