### Fill in the gaps

## You Need Me, I Don't Need You by Ed Sheeran

Now I'm in town,
Break it down
Thinking of making
a new song.
Playing a different show
every night in (1) of a
new crowd that's you know, ciao
Seems that (2) is great now
See me lose focus
as I sing to you loud
And I can't, no, I won't hush.
I'll say the (3)
that makeyou blush
I'm gonna sing this now-ow-ow
See, I'm true, my songs are
were my heart is
I'm like glue, I stick to
other artist
I'm not you, no that would
be disastrous.
Let me sing and do my
thing and move to greener
postures
See, I'm real, I do it all,
it's all me.
I'm not fake, don't ever
call me lazy
I won't stay put

Give me the chance

inglés
to be free.
Suffolk sadly seems to sort
of suffocate me.
'Cause you need me man, I don't need you
You need me man, I don't need you
You need me man, I don't need you at all
You need me man, I don't need you
You need me man, I don't need you
You need me man, I don't need you
You need me man, I don't need you at all
You need me.
I sing, I write my own tune
and I write my own verse, hell
Don't need another wordsmith
to make my tune sell.
Call yourself a singer/writer,
you're just bluffing.
Name's on the credits and
you didn't write nothing.
I sing fast, I know (4) all
my shit's cool.
I (5) blast and I didn't go
to BRIT school.
I came fast with the way
I act, right.
I can't last, if I'm smoking

on a crack pipe.

of my genre

And I won't be a product

My mind will always be

JUB inglés
stronger than my songs are.
Never believe the bullshit
that fake guys feed to ya.
Always read the stories
that you hear on Wikipedia.
And musically I'm
demostrating.
When I perform live feels
like I am meditating.
Times at The Enterprise
when some fella filmed me.
Young singer-writer like a
Gabriella-Cilmi.
'Cause you need me man, I don't (6) you
You need me man, I don't need you
You need me man, I don't need you at all
You need me man, I don't need you
You need me man, I don't need you
You need me man, I don't need you
You need me man, I don't need you at all
You need me.
'Cause with the lyrics I'll
be aiming it right
I won't (7) 'till my name's
in lights, at stadium heights
with Damien Rice,
On red comete
On red carpets,

Because I'm young I know

my brother's gonna give me advice

#### Long nighter, short height

and I'm	going	hyper.
---------	-------	--------

Never be anything but a

singer/songwriter

The game's over but now

I'm on a new level.

Watch how I step on the

track without a loop pedal.

People think that I'm

bound to blow up,

I've done (8)\_\_\_\_\_ about a

thousand shows, but

I haven't got a house plus

I live on the couch.

So you believe the lyrics

when I'm singing them out, wow!

From day one, I've been

prepared, with VO5 wax for my

ginger hair. So now I'm back to

the sofa giving a dose of what the

future holds. 'Cause it's another day.

Plus I keep my last name

forever, keep this genre pretty basic

Gonna be breaking into other

people tunes when I chase it.

And replace it (9)\_\_\_\_\_ the

elephant in the room

with a facelift.

Into another rapper's shoes

using new laces.

#### I'm selling CD's from my rucksack,

Aiming for the papers.

Selling CD's from my rucksacks

Aiming for majors.

Nationwide tour with Just Jack,

still had to get the bus back.

Clean-cut kid withot a

razor for the mustache.

I hit back when the pen

hurts me.

I'm still a choir boy in a

Fenchurch tee.

I'm still the same as a year

ago but more people

hear me though.

According to the MuySpace

and YouTube videos.

I'm always doing shows,

if I'm not, I'm in the studio.

Truly broke, never growing

up. Call me Rufio.

Melody music maker, reading

all the papers, They say I'm

up-and-coming like I'm

fucking in an elevator.

'Cause you need me man, I don't need you

You need me man, I don't need you

You need me man, I don't need you at all

You need me man, I don't need you

You need me man, I don't need you

#### You need me man, I don't need you

You need me man,	I don't need y	you at all
------------------	----------------	------------

You need me man, I don't (10)\_\_\_\_\_ you.
