

Fill in the gaps

A long, long time ago	When I went down to the sacred store
I can still remember	Where I'd heard the music years before
How that (1) used to make me smile	But the man there (17) the (18)
And I knew that if I had my chance	wouldn't play
I could make those people dance	Well now, in the streets the children screamed
And maybe they'd be happy for a while	The lovers cried, and the poets dreamed
Did you write the book of love?	But not a word was spoken
And do you (2) (3) in God above	The church (19) all were broken
If the Bible tells you so?	And the three men I (20) the most
Now do you (4) in Rock 'n' roll	The Father, Son and the Holy Ghost
And can music (5) (6)	They (21) the last train for the coast
(7) soul?	The day the music died
And can you teach me how to dance real slow?	We started singing
Well, I know that you're in love with him	Bye, bye, Miss (22) Pie
Cause I saw you dancin' in the gym	Drove my Chevy to the levee
You both (8) off (9) shoes	But the levee was dry
Man, I dig those rhythm and blues	And good old (23) were drinkin' whiskey and rye
I was a lonely teenage broncin' buck	Singing this'll be the day that I die
With a pink (10) and a pick-up truck	This'll be the day that I die
But I knew (11) I was out of luck	Bye, bye, Miss American Pie
The day the music died	Drove my (24) to the levee
I started singing	But the (25) was dry
Bye, bye, (12) American Pie	And good old boys were drinkin' (26) and
Drove my Chevy to the levee	rye
But the levee was dry	Singing this'll be the day (27) I die
And good old boys were drinkin' (13) and	This'll be the day (28) I die
rye	We started singing
Singing this'll be the day that I die	We started singing
This'll be the day that I die	We started singing
I met a girl who (14) the blues	We (29) singing
And I asked her for some (15) news	
But she just (16) and turned away
