

Fill in the gaps

The more you see, the (1) you know	What happened to the beauty I had inside of me
The less you find out as you go	And I miss you when you're not around
I knew much more then than I do now	I'm getting ready to leave the (6)
Neon heart day-glow eyes	Ooh ooh ooh
A (2) lit by fireflies	Ooh ooh
They're advertising in the skies	Oh you look so beautiful tonight
For people like us	In the city of (7) (8)
And I miss you when you're not around	Time Time Time
I'm (3) ready to leave the ground	Time Time
Ooh ooh ooh	Won't leave me as I am
Ooh ooh ooh	But time won't take the boy out of this man
Oh you look so beautiful tonight	Oh you look so beautiful tonight
In the city of blinding lights	Oh you look so beautiful tonight
Don't (4) before you (5)	Oh you look so beautiful tonight
Look ugly in a photograph	In the city of blinding lights
Flash bulbs purple irises	The more you know the (9) you feel
The camera can't see	Some pray for others steal
I've seen you walk unafraid	Blessings are not (10) for the ones who kneel
I've seen you in the clothes you made	luckily
Can you see the beauty inside of me?
