## It's All Coming Back To Me Now by Celine Dion

There were (1) when the wind was so cold
That my body froze in bed
If I just listened to it
Right outside the window
There were days (2) the sun was so cruel
That all the tears turned to dust
And I just knew my eyes were
Drying up forever
I finished crying in the (3) that you left
And I can't remember where or when or how
And I banished every memory you and I had ever made
But (4) you touch me like this
And you hold me like that
I just have to admit
That it's all coming back to me
When I touch you like this
And I hold you like that
It's so hard to believe but
It's all coming back to me
(it's all coming back, it's all coming back to me now)
There were moments of gold
And there were flashes of light
There were things I'd never do again
But then they'd always seemed right
There were nights of endless pleasure
It was more than any laws allow
Baby baby
If I kiss you like this

And if you whisper like that

It was lost long ago
But it's all coming back to me
If you want me like this
And if you need me like that
It was dead long ago
But it's all coming back to me
It's so hard to resist
And it's all coming back to me
I can barely recall
But it's all coming back to me now
But it's all coming back
There were those empty threats and hollow lies
And whenever you tried to hurt me
I just hurt you even worse
And so much deeper
There were (5) that just went on for days
When alone at last we'd count up all the chances
That were lost to us forever
But you were history with the slamming of the door
And I made myself so strong again somehow
And I never wasted any of my time on you since then
But if I touch you like this
And if you kiss me like that
It was so long ago
But it's all coming back to me
If you touch me like this
And if I kiss you like that

It was gone (6)\_\_\_\_\_ the wind

(it's all coming back, it's all coming back to me now)

But it's all coming back to me
