

But I got a feeling

Fill in the gaps

Lovers On The Sun by David Guetta

_et's (1) it up, let's light it up	It's a feeling that's worth dying for
Until our hearts catch fire	Just close your eyes
Then show the (2) a burning light	And hold your breath
That never shined so bright	Because it feels right
Ne'll find a way, we'll find a way	We'll keep it moving
To keep the cold night	Until we make it to the other side
From breaking in over the walls	And let's enjoy the ride
Onto the wild side	We're burning up
The hunger satisfied	We might as well be (7) on the sun
We're burning up	We (8) as well be (9) on the sun
Ne might as well be lovers on the sun	We might as well be lovers on the sun
Ne (3) as well be (4) on the sun	Let's light it up, let's light it up
Ne might as well be lovers on the sun	Until our hearts catch fire
Ne'll (5) know, we'll never know	Then show the world a burning light
What (6) behind the door	That never shined so bright
