

Fill in the gaps

Lovers On The Sun by David Guetta

Let's light it up, let's light it up		It's a feeling that's worth dying for
Until our hearts (1) fire		Just close (11) eyes
Then show the (2) a (3)	light	And hold your breath
That (4) shined so bright		Because it (12) right
We'll (5) a way, we'll find a way		We'll keep it (13)
To (6) the cold night		Until we (14) it to the (15) side
From (7) in over the walls		And let's (16) the ride
Onto the (8) side		We're (17) up
The hunger satisfied		We (18) as well be (19) on the
We're burning up		sun
We might as well be lovers on the sun		We might as well be lovers on the sun
We (9) as well be lovers on the sun		We might as well be lovers on the sun
We might as well be lovers on the sun		Let's light it up, let's light it up
We'll never know, we'll (10) know		Until our (20) (21) fire
What stands behind the door		Then show the (22) a burning light
But I got a feeling		That never (23) so (24)
