

## Fill in the gaps

| I keep going to the river to pray                  | Boy you never told me                              |
|--|--|
| 'Cause I need something that can wash all the pain | True love was going to hurt                        |
| And at most I'm sleeping all these (1) away        | True pain I don't deserve                          |
| But your ghost, the ghost of you                   | Truth is that I never learn                        |
| It keeps me awake                                  | [2x:]  |
| My friends had you figured out                     | I keep going to the river to pray                  |
| Yeah, they saw what's (2) of you                   | 'Cause I need something that can wash all the pain |
| You tried hiding another you                       | And at most I'm sleeping all these demons away     |
| But your evil was coming through                   | But (7) ghost, the ghost of you                    |
| These (3) sitting on the wall                      | It keeps me awake                                  |
| They watch every move I make                       | Give up the ghost                                  |
| Bright light living in the shade                   | Give up the ghost                                  |
| Your cold heart makes my spirit shake              | Give up the ghost                                  |
| I had to go through hell to prove I'm not insane   | Stop the (8) baby                                  |
| Had to meet the (4) just to know his name          | Give up the ghost                                  |
| And that's when my love was burning                | Give up the ghost                                  |
| Yeah, it's still burning                           | Give up the ghost                                  |
| [2x:]  | No more haunting baby                              |
| I keep going to the river to pray                  | I keep going to the river                          |
| 'Cause I need something that can wash all the pain | [2x:]  |
| And at most I'm sleeping all these (5) away        | I keep going to the river to pray                  |
| But your ghost, the ghost of you                   | 'Cause I need (9) that can wash all the            |
| It keeps me awake                                  | pain   |
| Each time that I (6) you go                        | And at most I'm sleeping all these demons away     |
| I turn around and you're creeping in               | But your ghost, the ghost of you                   |
| And I let you under my skin                        | It keeps me awake                                  |
| 'Cause I love living in the sin                    |  |
