## Fill in the gaps

Don't walk away (1) you (2) do,	I wanna get back,
This time,	Get back,
Baby you're the only thing that's been,	With you.
On my mind.	You were the only one I wanted.
Ever since you left I've (3) a mess,	And you were the first one I (16) loved
You won't let it go far	You're the (17) one that I've been needing
I'll say it once,	And I don't want to be lonely anymore.
And I'll (4) you alone,	Chorus
But I (5) let you know.	I wanna get back, to the old days,
Chorus:	When the (18) would ring,
I wanna get back, to the old days,	And I (19) it was you.
When the phone would ring,	I wanna start back,
And I knew it was you.	And Get Yelled At
I wanna (6) back,	Fight for nothing, (20) we used to.
And Get (7) At	Oh kiss me, like you mean it,
Fight for nothing, like we used to.	Like you miss me,
Oh kiss me, like you mean it,	Cause I know that you do.
Like you miss me,	I (21) get back,
Cause I (8) that you do.	Get back,
I wanna get back,	With you.
Get back,	(Get back)
With you.	Get back
You can be that way,	(Get back)
I see it in your eyes.	Get back
Don't (9) me,	(Get back)
I've been fine,	Get back
I'm not (11) lie I've been a mess,	(Get back)
Since you left,	Get back
And every time I see you,	Oh (22) me, like you mean it,
It (12) more and more intense	Like you miss me,
Chorus	Cause I know that you do,
I (13) get back, to the old days,	I wanna get back,
When the phone would ring,	Get back,
And I knew it was you.	I (23) get back,
I (14) (15) back,	Get back,
And Get Yelled At	Get back,
Fight for nothing, like we used to.	Get back,
Oh kiss me, like you mean it,	With you.
