I miss the taste of a sweeter life	So I wonder where (13) you?
I miss the conversation	When all the roads you took (14) back to me
I'm searching for a song tonight	So I'm (15) the map that leads to you
I'm changing all of the stations	The map that leads to you
I like to think that we had it all	Ain't nothing I can do
We drew a map to a better place	The map that (16) to you
But on that road I took a fall	Following, following to you
Oh baby why did you run away?	The map (17) leads to you
I was there for you	Ain't nothing I can do
In your (1) times	The map (18) leads to you
I was there for you	Oh oh oh
In your darkest nights	Oh oh oh
But I wonder where were you?	Yeah yeah yeah
When I was at my worst	Oh oh oh
Down on my knees	Oh, I was there for you
And you said you had my back	Oh, in your darkest time
So I wonder where were you?	Oh, I was there for you
When all the roads you took came back to me	Oh, in (19) darkest nights
So (2) following the map that (3) to	Oh, I was there for you
you	Oh, in your darkest time
The map that leads to you	Oh, I was there for you
Ain't nothing I can do	Oh, in (20) (21) nights
The map that leads to you	But I wonder where were you?
Following, following, (4) to you	When I was at my worst
The map that leads to you	Down on my knees
Ain't nothing I can do	And you said you had my back
The map that leads to you	So I wonder (22) (23) you?
Following, following	When all the roads you took (24) to
I (5) (6) (7) in my sleep at	me
night	So I'm following the map (26) leads to you
Hard to resist temptation	The map that leads to you
Cause something (8) has come over me	Ain't nothing I can do
And now I can't get over you	The map that leads to you
No, I (9) can't get over you	Following, following to you
I was there for you	The map that leads to you
In (10) darkest times	Ain't nothing I can do
I was (11) for you	The map (27) leads to you
In your darkest nights	Following, following
But I wonder where were you?	
When I was at my worst	
Down on my knees	
And you (12) you had my back
