I was there for you In your darkest times I was there for you In your darkest nights But I wonder where were you? When I was at my worst Down on my knees And you said you had my back So I wonder (2)_____ were you? When all the roads you took came back to me So I'm following the map that leads to you The map that leads to you Ain't nothing I can do The map that leads to you Following, following to you The map that leads to you Ain't nothing I can do The map that leads to you Following, following, following I hear your voice in my sleep at night Hard to resist temptation 'Cause something strange has come over me And now I can't get over you No, I (3)____ can't get over you I was there for you In your darkest times I was there for you
