I met this girl late (1) year	Wish I'd have written it down
She said don't you (2) if I disappear	The way that things played out
I told her I'm not really looking for another mistake	When she was kissing him
I (3) an old friend thinking that the trouble	How? I was confused about
would wait	She should (14) it out while I'm sat here
But then I jump right in	singing
A week later returned	Don't (15) with my love
I (4) she was only looking for a	That heart is so cold
(5) to burn	All over my home
But I gave her my time for two or three nights	I don't wanna know (16) babe
Then I put it on pause 'til the moment was right	Don't fuck (17) my love
I went away for months (6) our paths crossed	I told her she knows
again	Take aim and reload
She told me I was never looking for a friend	I don't wanna know that babe
Maybe you could swing by my room around 10	[Knock knock knock] on my hotel door
Baby bring a lemon and a bottle of gin	I don't even (18) if she knows what for
We'll be in between the sheets 'til the late AM	She was (19) on my shoulder
Baby if you (7) me then you should've just	I already told ya
said	Trust and respect is what we do this for
She's singing	I never intended to be next
Don't fuck with my love	But you didn't need to take him to bed that's all
That heart is so cold	And I never saw him as a threat
All over my home	Until you disappeared with him to have sex of course
I don't wanna know that babe	It's not like we (20) both on tour
Don't fuck with my love	We were staying on the (21) fucking hotel floor
I (8) her she knows	And I wasn't looking for a promise or commitment
Take aim and reload	But it was never just fun and I (22) you
I don't wanna know that babe	were different
For a couple weeks I	This is not the way you realize (23) you wanted
Only want to see her	It's a bit too much, too late if I'm honest
We drink away the days with a take-away pizza	All this time God (24) I'm singing
Before a (9) (10) was the only	Don't fuck (25) my love
way to (11) her	That heart is so cold
Now she's staying at my place and loves the way I treat her	All (26) my home
Singing out Aretha	I don't wanna know (27) babe
All over the (12) like a feature	Don't fuck with my love
And never wants to sleep, I guess that I don't want to either	I told her she knows
But me and her we make money the same way	Take aim and reload
Four cities, two planes the same day	I don't wanna know that babe
Those shows have never been what it's about	
But maybe we'll go together and just figure it out	
I'd rather put on a film (13) you and sit on the	
couch	
But we should get on a plane	
Or we'll be missing it now
