

Fill in the gaps

Maybe I'm just crazy	Okay you're pretty
Maybe I'm a fool	Your face is a work of art
Maybe I don't know how to love but	Your smile could light up New York City after dark
Maybe I do	Okay you're (7) pretty
Maybe you know more than me but	Stamped with a beauty mark
This much is true	But it's such a pity a boy so pretty
This little heart and brain of mine say	With an ugly heart
We're through (1) you	Okay you're pretty
And I wonder (2) it blow your mind	Your face is a work of art
That I'm leaving you far behind	Your smile could probably light up New York (8)
I wonder does it stop your heart to know	dark
You're not my sunshine, anymore	Okay you're coverboy pretty
Okay you're pretty	Stamped with a beauty mark
Your face is a work of art	But it's such a pity
Your smile could light up New York (3) after dark	A boy so pretty
Okay you're (4) pretty	With an uh- an uh- an ugly heart
Stamped (5) a beauty mark	An uh an uh an ugly heart
But it's such a pity a boy so pretty	Okay you're pretty
With an ugly heart	Your face is a work of art
Maybe you'll get married	Your smile could light up New York City after dark
And she will kiss your feet	Okay you're coverboy pretty
While I give all my rides away	Stamped with a beauty mark
I won't loose no sleep	But it's such a pity a boy so pretty
Maybe on your honeymoon	With an ugly heart
You'll think of me	Okay you're pretty
But if you don't won't shed a tear	Your face is a work of art
Yeah I can guarantee	Your smile (9) light up New York City
And I wonder does it blow your mind	(10) dark
That I'm leaving you far behind	Okay you're coverboy pretty
I wonder (6) it stop your heart to know	Stamped with a beauty mark
You're not my sunshine, anymore	But it's such a pity a boy so pretty
	With an ugly heart
