

Black, black widow, baby

Fill in the gaps

Black Widow (feat. Rita Ora) by Iggy Azalea

I'm (1) ya	I'm gonna I-I-I-love you (15) it hurts
Until you hate me	Just to get you I'm doing (16) works
And I'm gonna show ya	You've never met nobody
What's really crazy	That'll do you how I do ya
You should've known better	That (17) bring you to your knees
Than to mess with me, honey	Praise Jesus hallelujah
I'm gonna love ya, I'm gonna love ya	I'm-a make you beg for it, plead for it
Gonna love ya, gonna love ya	Till you feel like you (18) for it
Like a black widow, baby	Till you do any and everything for it
This twisted cat and mouse game (3) starts	I want you to fiend for it
the same	Wake up and dream for it
First we're both down to play then (4) you	Till it's got you gasping for air
go astray	And you (19) for it
We went from (5) to something, liking to	'Till they have a CAT scan and check on your mind
loving	And it's nothing but me, on it (on it, on it, on it)
It was us against the world and now we just fucking	Now it's me-time believe that
It's (6) I loved you so much and now I just hate you	If it's (20) when you want it
Feeling stupid for all the time that I gave you	I wouldn't promise I need that
I wanted all or nothing for us ain't no place in between	Till I'm everywhere that you be at
Might, might be me believing what you say that you never	I can't (21) back go quick
mean	Cause this here a fatal (22) so I
Like it'll (7) forever but now (8)	(23) it all or I don't want shit
ain't as long	You used to be thirsty for me (Right)
If it wasn't for you I wouldn't be stuck (9)	But now you wanna be set free
(10) song	This is the web, web that you weave
You (11) (12) from my	So baby now rest in peace (It's all over with now)
(13) but now you got it mirrored	I'm gonna (24) ya
And as it all plays out I see it couldn't be clearer	Until you hate me (Right)
Now sing	And I'm gonna show ya (Show 'em what (25) 'em
You used to be thirsty for me	what)
But now you wanna be set free	What's really crazy
This is the web, web that you weave	You should've known better
So (14) now rest in peace (It's all over with now)	Than to (26) with me, honey
I'm gonna love ya	I'm gonna love ya, I'm gonna (27) ya
Until you hate me (Right)	Gonna love ya, (28) love ya
And I'm gonna show ya (Show 'em what show 'em what)	Like a (29) widow, baby
What's really crazy	BI-bl-bla-black widow, baby
You should've known better	
Than to mess with me, honey (it's all over with now)	
I'm gonna love ya, I'm gonna love ya	
Gonna love ya, gonna love ya	
Like a black widow, baby
