Black, black widow, baby

Fill in the gaps

Black Widow (feat. Rita Ora) by Iggy Azalea

I'm gonna love ya	I'm gonna I-I-I-love you (4) it hurts
Until you hate me	Just to get you I'm doing whatever works
And I'm gonna show ya	You've never met nobody
What's really crazy	That'll do you how I do ya
You should've known better	That will bring you to your knees
Than to mess with me, honey	Praise Jesus hallelujah
I'm gonna love ya, I'm gonna love ya	I'm-a make you beg for it, plead for it
Gonna love ya, gonna love ya	Till you feel like you (5) for it
Like a black widow, baby	Till you do any and everything for it
This twisted cat and mouse game always starts the same	I want you to fiend for it
First we're both down to play then somehow you go astray	Wake up and dream for it
We went from nothing to something, liking to loving	Till it's got you gasping for air
It was us (1) the world and now we just	And you lean for it
fucking	'Till they have a CAT scan and check on your mind
It's like I loved you so much and now I just hate you	And it's nothing but me, on it (on it, on it, on it)
Feeling stupid for all the time that I gave you	Now it's me-time believe that
I wanted all or nothing for us ain't no place in between	If it's yours when you want it
Might, might be me believing what you say that you never	I wouldn't promise I need that
mean	Till I'm everywhere that you be at
Like it'll last forever but now forever ain't as long	I can't fall back go quick
If it wasn't for you I wouldn't be stuck singing this song	Cause this here a fatal attraction so I take it all or I don't want
You were different from my last but now you got it mirrored	shit
And as it all plays out I see it couldn't be clearer	You used to be thirsty for me (Right)
Now sing	But now you wanna be set free
You used to be thirsty for me	This is the web, web that you weave
But now you wanna be set free	So baby now rest in peace (It's all over with now)
This is the web, web that you weave	I'm (6) love ya
So baby now rest in peace (It's all over with now)	Until you hate me (Right)
I'm gonna love ya	And I'm gonna (7) ya (Show 'em what show 'em
Until you hate me (Right)	what)
And I'm gonna show ya (Show 'em (2) show 'em	What's really crazy
what)	You should've known better
What's really crazy	Than to mess with me, honey
You should've known better	I'm gonna love ya, I'm gonna love ya
Than to mess with me, (3) (it's all over with now)	Gonna love ya, gonna (8) ya
I'm gonna love ya, I'm gonna love ya	Like a black widow, baby
Gonna love ya, gonna love ya	Bl-bl-bla-black widow, baby
Like a black widow, baby
