Fill in the gaps

Lullaby (feat. Tori Kelly) by Professor Green

	It just makes my day harder, I wonder if
All the time I have layed in your love	It would've been any different if I had a father that I knew
When your love kept me (1) through the night	Could it have helped shape the way that I grew?
All the time I was sure you were mine	But the point of things I never have went from
And before (2) demands our goodbye	Being a reason for the things that I do
Can you sing me a last lullaby?	To just being an excuse that I'd use
It's been a while since I last dreamt	I've gotta take responsibility for the things I do
Barely remember what it's like to dream	Find something other than negativity for my fuel
Finding it hard to get to sleep, too stressed	But I feed off it, even when I don't seem bothered
And there ain't anyone to sing a lullaby to me	I hide everything that's going on inside
Pretend shit doesn't get to me	Guess it's been a while since I've been honest, I need help
And I suffer in silence when I'm hurting	But I deny it and even lie to myself like I'm fine
A man's problems are his own	All the time I (6) layed in your love
And it's my burden	When your (7) kept me (8) through the
Tossing and turning, trying to get to sleep	night
But I find it hard to switch off when my mind's working	All the time I was sure you were mine
I ponder on things I shouldn't ponder on	And before time demands our goodbye
Off the rails, my train of thought's wandering	Can you sing me a last lullaby?
Sick of pretending to be so happy	I just wish someone would tell me it would be OK
All the while my anxiety's away at me	But pessimism leads me to believe that it won't
My skin crawling, I look up to the sky	To see even a glimmer of hope in the darkness
And it falls, the walls close in and it's	Is hard and depression is a slippery slope
As if all the good in my life disappears	I don't wanna do what my dad did with a rope, though
In an instant, that thing is just so distant	So I (9) on even though it's hard to
So (3) the ones who I love, the ones who love	The only thing that's definite is death and things always
me	change
But I don't wanna tell em how I feel in case they judge me	As long as you give em a chance to
It's just me, wish I could let somebody in	All the time I have layed in your love
But I ain't ever been too trusting	When your love kept me safe through the night
All the time I have layed in your love	All the time I was sure you were mine
When your love kept me safe through the night	And before time demands our goodbye
All the time I was sure you were mine	Can you sing me a last lullaby?
And before time demands our goodbye	(Can you sing me a last lullaby?)
Can you sing me a last lullaby?	All the time I have layed in your love
I've barely had any (4) when I get up	When your (10) kept me safe through the night
Sick of all these nightmares and these night terrors	All the time I was sure you were mine
Like it's only when I'm in heaven that I (5) better	And before time demands our goodbye
Might sleep better when I get up, I'm weak	Can you sing me a last lullaby?
