Lullaby (feat. Tori Kelly) by Professor Green

	It just makes my day harder, I wonder if
All the (1) I have layed in your love	It would've been any different if I had a father that I knew
When (2) (3) kept me safe through the	Could it (13) helped shape the way that I grew?
night	But the point of things I never have went from
All the time I was sure you were mine	Being a reason for the things that I do
And before time demands our goodbye	To just (14) an excuse that I'd use
Can you sing me a (4) lullaby?	I've gotta (15) responsibility for the things I do
t's been a while since I last dreamt	Find something other (16) negativity for my fuel
Barely remember what it's like to dream	But I feed off it, even when I don't seem bothered
Finding it hard to get to sleep, too stressed	I hide (17) that's (18)
And there ain't (5) to sing a lullaby to me	on inside
Pretend shit doesn't get to me	Guess it's been a (19) since I've been honest, I
And I suffer in silence when I'm hurting	need help
A man's problems are his own	But I deny it and (20) lie to myself like I'm fine
And it's my burden	All the time I have layed in your love
Tossing and turning, trying to get to sleep	When your love kept me safe through the night
But I find it hard to switch off when my mind's working	All the time I was sure you were mine
ponder on things I shouldn't ponder on	And before time demands our goodbye
Off the rails, my train of thought's wandering	Can you sing me a last lullaby?
Sick of pretending to be so happy	I just wish someone would tell me it would be OK
All the while my anxiety's away at me	But pessimism leads me to (21) that it
My skin crawling, I look up to the sky	won't
And it falls, the walls close in and it's	To see even a glimmer of hope in the darkness
As if all the good in my life disappears	Is hard and depression is a slippery slope
n an instant, that thing is (6) so distant	I don't wanna do what my dad did with a rope, though
So seeing the ones who I love, the ones who love me	So I (22) on even though it's hard to
But I don't wanna tell em how I feel in case they judge me	The only thing that's definite is death and things always
t's just me, (7) I (8) let somebody in	change
But I ain't (9) been too trusting	As long as you (23) em a chance to
All the time I have layed in your love	All the time I have layed in your love
When your love (10) me safe through the night	When your love kept me safe through the night
All the time I was sure you were mine	All the time I was (24) you were mine
And (11) time demands our goodbye	And before time demands our goodbye
Can you sing me a last lullaby?	Can you sing me a last lullaby?
've barely had any sleep when I get up	(Can you (25) me a (26) lullaby?)
Sick of all these nightmares and these night terrors	All the time I have layed in your love
Like it's only (12) I'm in heaven that I sleep better	When your love kept me safe through the night
Might sleep better when I get up, I'm weak	All the (27) I was sure you were mine
	And before time demands our goodbye
	Can you sing me a last lullaby?
