

Fill in the gaps

When your legs don't (1) like they used to before	It's evergreen
And I can't sweep you off of your feet	And baby your smile is (11)
Will your mouth still remember the taste of my love?	In my (12) and memory
Will your eyes still smile from your cheeks?	I'm (13) about how
Darling I (2) be loving you till we're seventy	People fall in love in (14) ways
And baby my heart could (3) feel as hard at	And (15) it's all part of a plan
twenty three	I'll just keep on making the same mistakes
And I'm (4) about how	Hoping (16) you'll understand
People fall in love in mysterious ways	That baby now
Maybe just the (5) of a hand	Take me (17) your (18) arms
Well me I fall in love with you every single day	Kiss me under the (19) of a thousand stars
And I just (6) to tell you I am	Place your head on my beating heart
So honey now	I'm (20) out loud
Take me into your (7) arms	Baby we (21) love
Kiss me under the light of a thousand stars	Right (22) we are
Place your head on my beating heart	So (23) now
I'm thinking out loud	Take me into your loving arms
Maybe we found love	Kiss me (24) the light of a thousand stars
Right where we are	Oh darling, place your head on my beating heart
When my hairs all but gone	I'm (25) out loud
And my memory fades	Baby we found love right (26) we are
And the (8) don't remember my name	Baby we found (27) (28) where w
When my hands don't play the strings the same way	are
I know you will (9) (10) me the same	And we found love right where we are
Because honey your soul could never grow old
