Thinking Out Loud by Ed Sheeran

When your legs don't work like they used to before
And I can't sweep you off of your feet
Will your mouth still remember the taste of my love?
Will your eyes still smile from (1)_____ cheeks?
Darling I will be loving you till we're seventy
And baby my heart could (2)_____ feel as hard at
(3)_____ three
And I'm (4)_____ about how
People fall in love in mysterious ways
Maybe just the (5)_____ of a hand
Well me I fall in love with you every single day
And I (6)_____ want to tell you I am
So honey now
Take me (7)_____ (8)_____ loving arms
Kiss me under the light of a thousand stars
Place (9)_____ head on my (10)_____ heart
I'm thinking out loud
Maybe we (11)_____ love
Right where we are
When my hairs all but gone
And my memory fades
And the crowds don't remember my name
When my hands don't play the strings the same way
I know you will still love me the same
Because honey your soul could (12)_____
(13)_____ old

It's evergreen
And baby your smile is forever
In my (14)_____ and memory
I'm thinking about how
People (15)_____ in love in mysterious ways
And maybe it's all part of a plan
I'll just keep on (16)_____ the same mistakes
Hoping that you'll understand
That baby now
Take me into your (17)_____ arms
Kiss me under the (18)_____ of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Baby we found love
Right (19)_____ we are
So (20)_____ now
Take me into your loving arms
Kiss me under the light of a thousand stars
Oh darling, place your (21)_____ on my beating heart
I'm thinking out loud
Baby we (22)_____ love right where we are
Baby we found (23)_____ right (24)_____ we are
And we found love right where we are
