

Fill in the gaps

On the street where you live girls talk about their social lives	Repeat chorus
They're made of lipstick, plastic and paint, a touch of sable in	No one heard a single word you said
(1) eyes	They should have seen it in (9) eyes
All your life all you've asked when's your Daddy gonna talk to	What was going around your head
you	Ooh, she's a little runaway
You were living in another world tryin' to get (2)	Daddy's girl learned fast
message through	All those things he couldn't say
No one heard a single word you said	Ooh, she's a little runaway
They should have seen it in your eyes	Daddy's girl learned fast
What was going around your head	Now she works the night away
Chorus:	Ooh, she's a little runaway
Ooh, she's a little runaway	Daddy's (10) learned fast
Daddy's girl learned fast	All those things he couldn't say
All those things he couldn't say	Ooh, she's a little runaway
Ooh, she's a little runaway	Daddy's girl learned fast
A (3) line (4)	Now she works the night away
(5) guaranteed to blow your mind	
I see you out on the streets, call me for a wild time	
So you sit (6) alone 'cause there's nothing left that	
you can do	
There's only pictures hung in the shadows left there to look at	
you	
You (7) she likes the lights at nights on the neon	
Broadway signs	
She don't (8) mind, it's only love she hoped to	
find
