

And times forever frozen still

Fill in the gaps

Loving can hurt	So you can keep me inside the pocket
Loving can hurt sometimes	Of your ripped jeans
But it's the only thing that I know	Holding me (5) until our eyes meet
when it gets hard	You won't ever be alone
You know it can get hard sometimes	And if you (6) me
It is the only thing (1) makes us (2)	That's ok baby only words bleed
alive	Inside these pages you just hold me
We (3) this love in a photograph	And I won't ever let you go
We made these memories for ourselves	Wait for me to come home
Where our eyes are never closing	Wait for me to come home
Our hearts are never broken	Wait for me to come home
And time's are forever frozen still	Wait for me to come home
So you can keep me, (4) the pocket	Oh, you can keep me
Of your ripped jeans	Inside the necklace you bought when you were sixteen
Holding me close until our eyes meet	Next to your heartbeat
You won't ever be alone	Where I should be
Wait for me to come home	Keep it deep within your soul
Loving can heal	And if you hurt me
Loving can mend your soul	Well, that's ok (7) only words bleed
And is the only thing that I know	Inside these pages you just hold me
I swear it will get easier	And I won't ever let you go
Remember that with every piece of you	When I'm away
And it's the only thing to take with us when we die	I will (8) how you kissed me
We keep this love in a photograph	Under the lamppost back on sixth street
We made these memories for ourselves	Hearing you (9) through the phone
Where our eyes are never closing	Wait for me to (10) home
Our hearts were never broken
