Seven whole days, seven whole days	How could you leave me this way
Since you paralyzed me	It's been seven whole days without your (7)
Seven whole days, (1) whole days	
Since you (2) your fight	I wanna see your face
And I can't get the last words that you said	I got some things to say
Can't get those words out of my head	Was just a week ago
Seven whole days, seven whole days and four words	You said I love you girl
And I can't get away from the burning pain a light you wake	I said I love you more
And the fallen hero haunts my thoughts	And a breath, a pause, you said, if you say so
How could you leave	If you say so
me this way	If you say so
t's been seven whole days without your embrace	If you say so
wanna see your face	I can't believe it's true
got some things to say	I keep looking for you
Was just a week ago	I (8) my phone and wait to hear from you in a
You said I love you girl	crowded room
said I love you more	The (9) is so cruel
And a breath, a pause, you said, if you say so	And now I'll never know if all I've been told is just a lie so false
f you say so	
f you say so	I thought we would grow old
f you say so	Mirrors in the smoke
t's been seven whole days, seven whole days	Left me here choke
Since I heard the phone ring	It's been seven whole days without your embrace
Seven whole days, seven whole days	I wanna see your face
Since I heard your voice	I got some things to say
