Now excuse me if I sound rude	You got me so, so wrapped up
But I love the way that you move	There's just something about you
And I see me all over you now	You wrapped up
Baby when I look in your eyes	You got me so, so wrapped up
There's no way that I can disguise	There's just something about you
All these crazy thoughts in my mind now	[Travie McCoy]
There's just something about you	My princess so intelligent

ou know just where I wanna be	Yeah, but here's the only issue since we met
Oon't ever stop controlling me	You kinda turned my world upside down
kinda like it when you bring me to my knees	And I don't really mind spiderman kissing you
ou got me wrapped up	As long as you're plagnning on sticking around
Around your finger	The happiest boy in the world award (6) to me
'd do anything for your love now	Not a chance nobody came close to 'em
And when you touch it, the feeling lingers	I (7) knew you was troublesome
Takes me up so I high I can't come down	You got me wrapped around your finger like bubblegum
ou got me wrapped up baby	[Olly Murs]
don't ever wanna give up	Everything that you do
All this spell you got me under	Every way that you move
see fireworks when we touch now	There's just something about you
There's just (2) about you	There's just something about you
our body fits on mine like a glove	Everything that you do
et them say whatever they want	Every way that you move
