## Show Me Love by Robin S

## Fill in the gaps

Heartbreaks and promises, I've had more than my share	What I (5) need is somebody who will always
I'm tired of giving my love and getting nowhere, nowhere	be there
What I need is somebody who really cares	This time around for me baby, actions speak louder than
I really need a lover, a lover who wants to be there	words
It's been so long since I touched a wanting hand	If you're looking for devotion, talk to me
I can't put my love on the line, that I hope you'll understand	Come with (6) (7) in your hands
So baby if you want me	Because me love is guaranteed
You've got to show me love	So baby if you want me
Words are so easy to say, oh ah yeah	You've got to show me love
You've got to show me love	Words are so easy to say, oh ah yeah
I'm tired of getting caught up in those one night affairs	You've got to (8) me love
What I really need is somebody who will always be there	There's nothing that you can tell me
Don't you promise me the world, all that I've already heard	You've got to show me love
This (1) around for me baby, actions speak louder	There's only one key to my heart
than words	You've got to show me love
So if you're looking for devotion, talk to me	Show me, show me baby
Come with your heart in your hands	You've got to (9) it to me, give it to me, give it to
Because me love is guaranteed	me yeah
So baby if you want me	I don't want no fakes, don't want no phoney
You've got to show me (2)	I need you love
Words are so easy to say, oh ah yeah	Show me, show me baby
You've got to show me love	Give it to me, give it to me
Show me, (3) me baby	I am not a toy, I'm not a (10) thang
Show me, show me baby	You've got to understand
Show me, show me (4)	If you're looking for devotion, talk to me
Show me, show me baby	Come with your heart in your hands
Heartbreaks and promises, I've had more than my share	Because me love is guaranteed
I'm tired of giving my love and getting nowhere, nowhere	Yeah yeah yeah yeah
