

## Fill in the gaps

Heartbreaks and promises, I've had more than my share	What I really need is (8) who will always
I'm tired of giving my love and getting nowhere, nowhere	be there
What I need is somebody who really cares	This time around for me baby, actions speak
I really need a lover, a lover who wants to be there	(9) than words
It's been so (1) since I touched a	If you're looking for devotion, talk to me
(2) hand	Come with your heart in your hands
I can't put my love on the line, that I hope you'll understand	Because me love is guaranteed
So (3) if you want me	So baby if you want me
You've got to show me love	You've got to show me love
Words are so easy to say, oh ah yeah	Words are so easy to say, oh ah yeah
You've got to show me love	You've got to show me love
I'm tired of (4) caught up in those one night	There's nothing that you can tell me
affairs	You've got to show me love
What I really need is somebody who will always be there	There's only one key to my heart
Don't you promise me the world, all that I've	You've got to show me love
(5) heard	Show me, show me baby
This time around for me baby, actions speak louder than	You've got to give it to me, give it to me, give it to me yeah
(6)	I don't want no fakes, don't want no phoney
So if you're looking for devotion, talk to me	I need you love
Come with your heart in your hands	Show me, show me baby
Because me love is guaranteed	Give it to me, give it to me
So baby if you want me	I am not a toy, I'm not a play thang
You've got to show me love	You've got to understand
Words are so easy to say, oh ah yeah	If you're looking for devotion, talk to me
You've got to show me love	Come with your heart in your hands
Show me, show me baby	Because me love is guaranteed
Show me, show me baby	Yeah yeah yeah yeah
Show me, show me baby	
Show me, show me baby	
Heartbreaks and promises, I've had more than my share	
I'm tired of giving my love and (7) nowhere,	
nowhere	

- 1. long
- 2. wanting
- 3. baby
- 4. getting
- 5. already
- 6. words
- 7. getting
- 8. somebody
- 9. louder
