Maybe it was all too much
Too much for a man to take
Everything's bound to break
Sooner or later, sooner or later
You're all that I can trust
Facing the darkest days
Everyone ran away
But we're gonna stay here, we're gonna stay here
Ahhhhhh, Ahhhhh
I know you're scared tonight
Ahhhhhh, Ahhhhh
I'll never leave your side
When it all falls, when it all (1) down
I'll be (2) fire when the lights go out
When there's no one, no one else around
We'll be two souls in a ghost town
When the world gets cold
I'll be your cover
Let's (3) hold
Onto each other
When it all falls, when it all falls down
We'll be two souls in a ghost town
Tell me how we got this far
Every man for himself
Everything's gone to hell
We gotta stay strong, we're gonna hold on
This world has turned to dust
All we've got left is love
Might as well start with us
Singing a new song, something to build on
Ahhhhhh, Ahhhhh
I know you're scared tonight
Ahhhhhh, Ahhhhh

I'll never leave your side

When it all falls, when it all falls down
I'll be your fire when the (4) go out
When there's no one, no one else around
We'll be two souls in a ghost town
When the world gets cold
I'll be your cover
Let's just hold
Onto each other
When it all falls, when it all falls down
We'll be two souls in a ghost town
I know we're alright
Cause we'll never be alone
In this mad mad, in this mad mad world
Even (5) no light
We're gonna shine like gold
In this mad mad, in this mad mad world
