Fill in the gaps

Naturally	And I love the way you (7) who you are
How you choose to express yourself	And to me it's exciting
It's all your own and I can tell	When you know it's meant to be
It comes naturally	Everything comes naturally, it (8) naturally
It comes naturally	When you're with me, baby
You follow what you feel inside	Everything comes naturally, it comes naturally
It's intuitive you don't (1) to try	Bay bay baby
It comes naturally, hmm it (2) naturally	Bay bay baby
And it takes my breath away (away, away, away)	When we collide, sparks fly
You are the thunder and I am the lightning	When you look in my eyes, it takes my breath away
And I (3) the way you know who you are	(It takes my breath away) (you are!)
And to me it's exciting	You are the thunder and I am the lightning
When you know it's meant to be	And I know it's meant to be
Everything comes naturally, it comes naturally	You are the thunder and I am the lightning
When you're (4) me, baby	And I love the way you know who you are
Everything comes naturally, it comes naturally	And to me it's exciting
Bay bay baby	When you know it's meant to be
You have a way of moving me	Everything comes naturally, it comes naturally
A (5) of nature, your energy	When you're with me, baby
It comes naturally	Everything comes naturally, it comes naturally
It comes naturally, hmm yeah	Bay bay baby
And it (6) my breath away (away, away, away)	Bay bay baby
What you do, so naturally	Everything (9) comes (10)
You are the thunder and I am the lightning
