Fill in the gaps

I Really Like You by Carly Rae Jepsen

I really want to stop	And I want you, do you want me?
But I (1) got a taste for it	Do you want me too?
I feel like I could fly	Oh, did I say too much?
With the boy on the moon	I'm so in my head
So honey hold my hand	When we're out of touch
You like making me wait for it	I really really (8) you
I feel like I (2) die walking up to the room	And I want you, do you want me?
Late night watching television	Do you want me too?
But how'd we get in this position?	Who gave you eyes like that?
It's way too soon I know this isn't love	Said you could keep them?
But I need to tell you something	I don't know how to act
I really really like you	Or if I should be leaving
And I want you, do you (3) me?	I'm running out of time
Do you (4) me too?	Going out of my mind
I really really like you	I need to tell you something
And I want you, do you want me?	I'm pregnant
Do you want me too?	Ok
Oh, did I say too much?	Just kidding
I'm so in my head	I really really like you
When we're out of touch	And I want you, do you want me?
I really really (5) you	Do you (9) me too?
And I want you, do you want me?	I really really like you
Do you want me too?	And I want you, do you want me?
It's like everything you say is a sweet revelation	Do you want me too?
All I want to do is get into your head	Oh, did I say too much?
Yeah, we could stay alone	I'm so in my head
You and me in this temptation	When we're out of touch
Sipping on (6) lips	I really really like you
Hanging on by thread, baby	And I want you, do you want me?
Late night watching television	Do you want me too?
But how'd we get in this position?	I really really like you
It's way too soon I (7) this isn't love	And I want you, do you want me?
But I need to tell you something	Do you want me too?
I really really like you	I really really like you
And I want you, do you want me?	And I want you, do you want me?
Do you want me too?	Do you want me too?
I really really like you
