## SUB inglés

It's going down further than femurs

## Fill in the gaps

## GDFR ft. Sage The Gemini and Lookas by Flo Rida

I know what you came here to see	Girls get (7) than Katrina
If you're a freak,	Yeah my girl you never seen her
then ya (1) home with me	'Cause my tints by limousines
And I know what you (2) here to do	My touch is the Midas
Now bust it open let me see you get low	We de-plus your man to minus
It's going down for real	My team blowing on that slam
It's going down for real	Make you cough-cough that's Bronchitis
It's going down for real	Put your hands up
Your girl just kissed a girl	It's a stick up, no more makeup
I do bi chicks	Get that ass on the floor
Shake for a shake	Ladies put your lipstick up
I'm throwing these Emirates in the sky	Double entendre, double entendre
Spinning this As-salamu alaykum	While you're hating I get money
Peace to M.O.N.E.Y	Then I double up tonkers
I love my beaches, south beaches	I know what you came here to see
Surfboard and high tide	If you're a freak,
I could just roll up	then ya (8) home with me
Cause I'm swoll up	And I know (9) you came here to
So that birthday cake get a cobra	Now bust it open let me see you get low
Buggati for real, I'm cold bruh	It's going down for real
That auto-biography rover	It's going down for real
Got the key to my city it's over	It's (10) down for real
It's no thots, only Anna Kournikova's	It's going down for real
I said rackets, ratchets hold up	It's going down for real
(I said rackets, ratchets hold up)	Lift it, drop it, shake it, pop it
I know what you came here to see	Lift it, drop it, shake it, pop it
If you're a freak,	Lift it, drop it, shake it, pop it
then ya (3) home with me	Lift it, drop it, shake it
And I (4) what you came (5) to do	It's going down for real
Now bust it open let me see you get low	It's going down for real
It's going down for real	It's going down for real
It's going down for real	It's going down for real
And they (6) know me	It's going down for real
It's going down for real	

- 1. coming
- 2. came
- 3. coming
- 4. know
- 5. here
- 6. already
- 7. wetter
- 8. coming
- 9. what
- 10. going
