

## Fill in the gaps

Midnight, you come and pick me up, no headlights
A (1) drive, could end in (2)
flames or paradise
Fade into view, oh
It's been a while since I have (3) heard from you
(heard (4) you)
I should just (5) you to leave cause I
Know (6) where it leads but I
Watch it go round and round each time
You got that (7) Dean daydream look in your
eye
And I got that red lip classic thing that you like
And when we go crashing down we come back every time
Cause we never go out of style, we never go out of style
You got that long hair slicked back, white t-shirt
And I got (8) (9) girl (10)
and a tight (11) skirt
And when we go (12) down, we
(13) back every time
Cause we never go out of style, we (14) go out
of style
So it goes, he can't (15) his wild eyes on the road
Takes me home, lights are off he's taking off his coat
I say, "I've heard that you've been out and about
With some other girl, some other girl"
He says "What you've heard is (16) but I

Can't stop thinking about you and I"
I said, "I've (17) there too a few times"
Cause you got that James Dean daydream look in your eye
And I got that red lip (18) thing that you like
And when we go crashing down we come back every time
Cause we never go out of style, we never go out of style
You got that long hair slicked back, (19) t-shirt
And I got that good girl faith and a tight little skirt
And when we go (20) down, we come
(21) time
Cause we (23) go out of style, we never go ou
of style
Take me home
Just take me home
Just take me home
You got that James (24) daydream look in
(25) eye
And I got that red lip classic (26) that you like
And when we go crashing down we come back every time
Cause we (27) go out of style, we
(28) go out of style
