

Fill in the gaps

| I could (1) beer for breakfast, my sanity for lunch | And I'm headin' straight for |
|---|-------------------------------------|
| Tryin' to get over how bad I want you so much | I bit my poison and it's you |
| Innocense for dinner, pour somethin' in my cup | I bit my poison and it's you |
| Anything and everything just to fill me up | Bittersweet ecstasy that yo |
| But (2) ever gets me high like this | Fallin' deep, I can sleep tor |
| I bit my (3) and it's you | And you make me feel like |
| Nothing can kill me like you do | But it's alright, it's alright, it |
| You're goin' straight to my heart | Bittersweet (7) |
| And I'm headin' straight for the edge | Fallin' deep, I can sleep tor |
| I bit my (4) and it's you | And you make me feel like |
| I bit my poison and it's you | But it's alright, it's alright, it' |
| I can feel your whisper and layin' on the floor | I bit my poison and it's you |
| I tried to stop, but I keep on comin' back for more | Nothing can kill me like you |
| I'm a light wave and I know it | You're goin' straight to my |
| Cause after the first (5) I was fallin', fallin' down | And I'm headin' straight for |
| But nothing ever (6) me high like this | I bit my poison and it's you |
| I bit my poison and it's you | I bit my poison and it's you |
| Nothing can kill me like you do | |
| You're goin' straight to my heart | |
