

## Fill in the gaps

From walking (1) and talking loads	And I'll be me
To (2) (3) in evening	Everything that's broke
(4) with you	Leave it to the breeze
From nervous touch and getting drunk	Why don't you be you
To staying up and waking up with you	And I'll be me
But now we're sleeping at the edge	And I'll be me
Holding something we don't need	Trying to fit your hand inside of mine
All (5) (6) in our heads	When we know it (19) don't belong
Is (7) bring us to our knees	There's no (20) on earth
So come on let it go	Could make me feel right, no
Just let it be	Whoa
Why don't you be you	Trying to push (21) problem up the hill
And I'll be me	When it's (22) too (23) to hold
Everything that's broke	Think now's the time to let it slide
Leave it to the breeze	So come on let it go
Why don't you be you	Just let it be
And I'll be me	Why don't you be you
And I'll be me	And I'll be me
From throwing clothes across the floor	Everything that's broke
To (8) and claws and slamming doors at you	Leave it to the breeze
If (9) is all we're living for	Let the ashes fall
Why are we doing it, (10) it, (11) it	Forget about me
anymore	Come on let it go
I used to (12) myself	Just let it be
It's (13) how reflections change	Why don't you be you
When we're (14)	And I'll be me
(15) else	And I'll be me
I (16) it's time to (17) away	
So (18) on let it go	
Just let it be	
Why don't you be you
