

Why don't you be you

Fill in the gaps

From (1)	home and (2)		And I'll be me
loads			Everything that's broke
To seeing shows in evening	(3)	with you	Leave it to the breeze
From (4)	touch and (5)		Why don't you be you
drunk			And I'll be me
To staying up and waking up with you			And I'll be me
But now we're (6) at the edge			Trying to fit your hand (16) of mine
Holding something we don't need			When we know it just don't belong
All this (7)	in our heads		There's no force on earth
Is gonna bring us to our knees			Could (17) me feel right, no
So come on let it go			Whoa
Just let it be			Trying to push this problem up the hill
Why don't you be you			When it's just too heavy to hold
And I'll be me			Think now's the (18) to let it slide
Everything that's broke			So (19) on let it go
Leave it to the breeze			Just let it be
Why don't you be you			Why don't you be you
And I'll be me			And I'll be me
And I'll be me			Everything that's broke
From throwing clothes (8) the floor			Leave it to the breeze
To (9) and claws and (10)			Let the ashes fall
doors at you			Forget about me
If this is all we're living for			Come on let it go
Why are we doing it, doing it anymore			Just let it be
I (11) to recognize myself			Why don't you be you
lt's (12) how (13)			And I'll be me
change			And I'll be me
When we're becoming (14)_		else	
I think it's (15) to walk away			
So come on let it go			
Just let it be
