

## Fill in the gaps

I remember us alone	I was trying to hide
Waiting for the (1) to go	I'll forget what I've done
Don't you (2) (3) hunger?	I'll be redefined
I've got so (4) secrets to show	It's shaking the sky
When I saw you on (5) stage	And I'm following lightning
I shiver with the look you gave	I'll recover if you keep me alive
Don't you hear that rhythm?	Don't (14) me behind
Can you show me how we can escape?	Can you see me? I'm shining
I was biding my time	And it's you that I've been (15) to find
I was (6) to hide	I want to be the one you steal
I'll forget what I've done	I want to be the one you shield
I will be redefined	I want to be the one (16) your love
It's shaking the sky	That your love can heal
And I'm following lightning	I want to be the one you steal
I'll recover if you (7) me alive	I (17) to be the one you shield
Don't leave me behind	I want to be the one that (18) love
Can you see me? I'm shining	That (19) love
And it's you that I've been waiting to find	It's shaking the sky
I'm holding it all tonight	And I'm following lightning
I'm folding it all tonight	I'll recover if you (20) me alive
You (8) that you make it shine	Don't leave me behind
It's you that I've been (9) to find	Can you see me? I'm shining
(bis)	And it's you that I've (21) to
Now that we can hear that sound	find
I (10) that you can hold me down	I'm holding it all tonight
You can't (11) me under	I'm folding it all tonight
You can raise (12) to the ground	You know that you (23) it shine
Everything I can arrange	It's you that I've (24) waiting to find
And every (13) of me you change	(bis)
Just hold me together	It's you that I've (25) waiting to find
Tell me you'll always want me to stay	(bis)
I was biding my time
