

Fill in the gaps

I remember us alone	I was trying to hide
Waiting for the (1) to go	I'll forget what I've done
Don't you feel that hunger?	I'll be redefined
I've got so many secrets to show	It's shaking the sky
When I saw you on that stage	And I'm following lightning
I shiver with the look you gave	I'll recover if you keep me alive
Don't you hear that rhythm?	Don't leave me behind
Can you show me how we can escape?	Can you see me? I'm shining
I was biding my time	And it's you (4) I've been waiting to find
I was trying to hide	I want to be the one you steal
I'll forget what I've done	I want to be the one you shield
I will be redefined	I want to be the one that your love
It's shaking the sky	That (5) love can heal
And I'm following lightning	I want to be the one you steal
I'll recover if you keep me alive	I want to be the one you shield
Don't leave me behind	I want to be the one that (6) love
Can you see me? I'm shining	That your love
And it's you that I've been waiting to find	It's shaking the sky
I'm holding it all tonight	And I'm following lightning
I'm folding it all tonight	I'll (7) if you keep me alive
You know (2) you make it shine	Don't leave me behind
It's you that I've been waiting to find	Can you see me? I'm shining
(bis)	And it's you (8) I've been (9) to
Now that we can (3) that sound	find
I know that you can hold me down	I'm holding it all tonight
You can't pull me under	I'm folding it all tonight
You can raise everything to the ground	You know (10) you make it shine
Everything I can arrange	It's you that I've been waiting to find
And every part of me you change	(bis)
Just hold me together	It's you that I've been waiting to find
Tell me you'll always want me to stay	(bis)
I was biding my time
