

Fill in the gaps

No no no no,	It's not the end
No no no no	(I gotta keep it strong before the pain turns into fear)
Listen little child, (1) will (2) a day	So glad we made it
When you will be able, able to say	Time will never change it, no no no
Never mind the pain or the aggravation	No no no no (You know it's time to say goodbye)
You know there's a better way for you and me to be	The times when we would play about
Look for the rainbow in (3) storm	The way we (6) to scream and shout
Fly (4) an angel heaven sent to me	We never dreamt you'd go your own sweet way
Goodbye my friend	Look for the rainbow in every storm
(I know you're gone, you said you're gone, but I can still feel	Find out for certain love's gonna be there for you
you here)	You'll always be someone's baby
It's not the end	Goodbye my friend
(I gotta keep it strong before the pain turns (5)	(I know you're gone, you said you're gone, but I can still feel
fear)	you here)
So glad we made it	It's not the end
Time will never change it, no no no	(I (7) keep it strong before the pain turns into
No no no no	fear)
Just a little girl, big imagination	So glad we made it
Never letting no one take it away	Time will never, never ever change it
Went into the world, what a revelation	No no no no (You know it's time to say goodbye)
She found there's a better way for you and me to be	No no no no (And don't (8) you can rely)
Look for the rainbow in every storm	No no no no (You know it's time to say goodbye, and don't
Find out for certain, love's gonna be there for you	forget on me you can rely)
You'll always be someone's baby	No no no no (I will help, help you on your way, I will be
Goodbye my friend	(9) you every day)
(I know you're gone, you said you're gone, but I can still feel	No no no (I will be (10) you every day)
you here)
