

Fill in the gaps

Do you still remember how we used to be?
Feeling together, believing whatever my love has said to me
Both of us were dreamers, (1) in
the sun
Felt like my saviour, my spirit I gave ya, we'd only just begun
Hasta mañana
Always be mine
"Viva forever, I'll be waiting
Everlasting like the sun
Live forever, for the moment
Ever searching for the one"
Yes I still remember every whispered word
The touch of your skin, giving life from within (3) a
love (4) (5) heard
Slipping through our fingers, (6) the
(7) of time
Promises made, every memory saved as reflections in \ensuremath{my}
mind
Hasta mañana
Always be mine
"Viva forever, I'll be waiting

Everlasting like the sun
Live forever, for the moment
Ever searching for the one"
Back (8) I belong now, was it just a dream?
Feelings unfold, (9) will never be sold, and the
secret's safe (10) me
Hasta mañana
Always be mine
"Viva forever, I'll be waiting (Viva forever I'll be waiting),
Everlasting like the sun (Everlasting Like the sun)
Live forever, for the moment (Live forever for the moment)
Ever searching for the one (Ever searching for the one)"
"Viva forever, I'll be waiting (Viva forever),
Everlasting like the sun
Live forever, for the moment (Live forever)
Ever searching for the one"
